Important Notes

1. Prior to the commencement of work, the contractor and client are to check on site all existing dimensions, boundary positions and details to verify and agree upon. Any errors, omissions or design changes should be reported immediately to enable a revised plan to be prepared and submitted for approval.
2. The contractor will be responsible for locating all hidden services that may be affected by the proposal and stopping all or diverting as necessary. The range runs shown are assumed and must be revealed on site before work commences.
3. The requirements of the "Party Wall Act 1996" will apply to certain schemes. The "Building Owner" will in writing in form and agree with the "Adjoining Owner(s)" if the proposed work affects the Party Wall or is within 2 meters of the foundations of the adjoining building. If an agreement cannot be made then professional advice should be sought prior to commencement of work on site, by a Party Wall Surveyor. SWISH Architecture will not take responsibility for this.
